with this size,

there's a strong possibility that it'll grow into a D-cup in a few years.

After you put in the filling, you grab the tip and shape...

Ah!

That's

Ah!

맛있는 만두 빚는 법

Ah-n...

Wait

\*How to make dumplings.

It should be fine for about a year.

As expected of a bear. However...

Thank you.

For your cooperation

WHY DO YOU WANT TO KNOW SOMEONE ELSE'S BREAST SIZE!

I, I'll KILL YOU!

WHO COULD UNDERSTAND THAT?

A clan of big breasts.

WHAT'S THAT?

I, I'll EXPLAIN!

It is because you're part of the bear clan.

...NOW LODING.

What happens when my powers awaken?

The requirement is a D-cup?

Dangun Myths

The Ung-nyeo's descendants..

Just what...

Since earlier...

HOW IS NA  
RAE BEING  
HERE A  
PROBLEM TO  
RANG II?

STOP  
MAKING  
STUFF UP!

Unlike the  
master, I am  
not as  
understanding.

I can't accept  
the fact that  
you're here.

What?

That myth is  
a misrepre-  
sentation.

How do you  
remember  
the Dangun  
Myth?

I thought  
Rang II was  
the tiger  
from the  
myth,

what about  
it?

Just like the Ung-nyeo, the master finished the trial, and learned the spell to become human.

and the rest of us learned that spell from the master, and are able to turn into humans as well.

That's why she's able to change into a human,

Rang Ii's clan, Ba Duk and Sae Hee...

Not only that,

can also turn into humans!

Was this why I felt something when I saw Rang Ii turn human?

Ah...

According to the myth, the tiger couldn't finish, and ran away from the trial.

However, Rang Ii can transform into a human!

Wh,  
what?

So what  
does  
that  
mean?

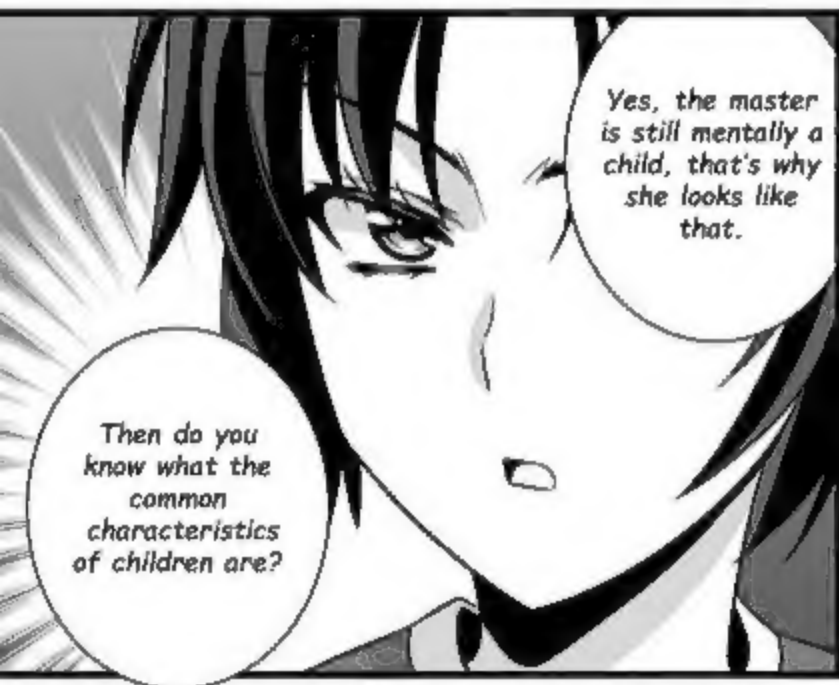

Ah...

You treat  
the master  
like a child,  
correct?

Because she  
is a kid.

For the  
young  
master  
that dis-  
posed of  
his ability  
to think,  
I'll give  
you a  
hint.

Yes, the master  
is still mentally  
a child, that's why  
she looks like  
that.

Then do you  
know what the  
common  
characteristics  
of children are?

Of  
children?

However, Hwangun  
didn't choose my  
master, and chose  
Ungnyeo. And the  
master was sealed  
after that.

Do you now  
understand?

Why Miss  
Na Rae  
can't be  
near the  
master?

On the sofa

Even if it's summer, you'll catch a cold

FINE! THIS IDIOT'S GOING TO SLEEP!

Where are you going to sleep?

Eh?

Go sleep in my room.

I don't wish to be stampeded by your useless lumps of fat

乳房死

I, IT'S NOT THAT BIG!

AND THIS IS SIZE THAT SUNG HOON.

WHAT ARE YOU THINKING OF? IF YOU SLEEP IN MY ROOM I'LL GO SLEEP WITH SAE HEE!

I decline

No Rae I'm thankful for the offer, but you should respect your body mo

UGH

TN: I thought this was kany! for a while and was wondering why it didn't make any sense to me. It turns out to be chinese. It says "death by breasts"

so there  
should be no  
problem even  
if you go  
home.

With this weak  
body and splendid  
technique, I will  
satisfy his urges,

I DON'T  
HAVE  
SUCH  
THINGS!

However, if it's for  
the master, no  
matter what kind  
of perverted order  
you give me, I  
would....

It's a  
joke.

You lack a  
sense of  
humor.

WHAT  
ARE  
YOU  
SAYING  
?

If you make  
Miss Na Rae  
leave,

I'm not  
leaving  
even if  
you tell  
me to!

...  
it was a  
joke.

But...

since the covers  
are filled with  
your dense  
"thing", I may  
get pregnant if  
I sleep in it...

HEY,  
YOOO  
OOO  
OOO  
OOO  
-!

Well, if I sleep  
with the master,

there would be no  
need for that.

IF YOU HAVE  
SUCH A GOOD  
SOLUTION SAY  
THAT FIRST!

We should sleep to.

Yea, good night.

Is a drunk person's face that pale?

I might have been feeling a bit drunk because I was drinking earlier.

Please excuse me for now.

Well, even if its Sae Hee's room, it was my mom's room till yesterday...

SAE  
HEEEEEEEEE  
EEEEEEEEEE  
EEEEEEEEEE  
EEEEEEEE

-!!

# Got any suggestions?

If you have any suggestions on how I could improve quality, or if you have a specific title that you want translated, send an email to:

(you can also send paypal donations)

It doesn't just have to be manhwa, or web-toons. I'm fluent in both korean and japanese, so manga is fine.

Also if anybody has any idea how other groups remove text on the pictures... hit me up with that info. It pains me to just put a white box over it everytime.

I'll work as fast as I can, but sometimes I'm busy, so if I can't do daily releases please understand.
